Church Point Manor
Boutique Event Venue & Retreat

ABOUT THE MANOR

Photo Courtesy of Andrew E Woods

The Church Point Manor is an 1860s estate that was elegantly restored and converted into a beautiful wedding venue and retreat in the late 20th century. Since then, the manor has provided an exclusive hideaway for public figures and locals alike, most notably having hosted President Barack Obama, Caroline Kennedy, Jessica Alba, and others. The manor's well-manicured gardens and lawns are designed and maintained in English and French style. The manor offers several intimate and enchanting event spaces and is proudly listed on the Virginia Beach Historical Register.

YOUR PRIVATE ESTATE FOR THE WEEKEND

True luxury is never rushed. At the Church Point Manor, we don't just host your wedding; we dedicate our entire week to it.

Most venues operate like revolving doors, hosting multiple weddings in a single weekend. We believe your celebration deserves better, so we host only one wedding per week.

With the Manor's grounds dedicated solely to your celebration, every detail can be shaped around your vision — no rushing, no shared spaces, no second events on the calendar.

Your Weekend, Entirely Yours

From Friday at noon through Sunday at 11 a.m., there are no other guests, no tours, and no conflicting events. Take the extra time to decorate, rehearse, and settle in at your own pace.

Wake Up at Your Venue

Spend Friday night in our elegant Carriage House, which sleeps six and is perfect for the bride and bridesmaids to wake up together on the morning of the wedding.

Wedding Night Stay Included

After the celebration, retreat just steps away to the Carriage House for your second included overnight stay, as newlyweds. Enjoy a relaxed morning together with a late checkout at 11 a.m. to gently ease out of your wedding weekend.

THE

BRIDAL COTTAGE

Your Private 1,700 sq. ft. Bridal Retreat

Our Carriage House serves as your spacious bridal cottage for the entire weekend. It's a beautifully appointed cottage designed for comfort and unforgettable wedding-morning moments. Inside, you'll find three bedrooms, each with its own en-suite bathroom, allowing your bridal party to get ready together with ease and privacy.

At Right:

The cottage opens up to an intimate foyer and old-world staircase before flowing into an expansive living room with a wood-burning fireplace — a warm, elegant setting for sharing breakfast, finishing hair and makeup, or simply soaking in the excitement of the day.

At Left:

Along one side, three arched carriage doors open out onto the lawns, creating a serene indoor-outdoor atmosphere that feels both romantic and timeless. It's a beautiful backdrop for photos or entrances, and it's a breathtaking space to begin your wedding day.

A man in a black tuxedo with a white shirt and bow tie is sitting on a black leather tufted sofa. He is in a rustic room with a high ceiling of dark wooden beams and corrugated metal. A single lantern hangs from the ceiling. To the left is a framed painting of a landscape. To the right is a dark wooden side table with a gramophone on top. The wall is a light, textured beige.

Nestled Inside our 1860s Cellars

Step downstairs into the Manor's original 1860s brick-and-plaster Cellars, and you'll find lounges furnished with antiques for the groom and his closest friends. The space offers a masculine speakeasy atmosphere with a few lounge areas, a vintage 1920s billiards table, and a custom Prohibition-style copper bar.

Steeped in hospitality history, these cellars once housed the manor's fine-dining restaurant, formerly ranked the #1 restaurant in Virginia. Today, it's the ultimate get-ready lounge where the gentlemen can relax, share a toast, and suit up in complete privacy.

POLICIES

Alcohol and Insurance

To keep your event smooth and protected, we require a single-day event liability policy (typically \$150 - \$200) and a Virginia ABC banquet license (~\$55) if you plan to serve alcohol. Each is easy to acquire, and after booking, our Welcome Packet will walk you through it!

Wedding Day Timeline

All events must end by 9 p.m. to allow an hour for cleanup. If you or your guests still have energy after a full wedding day, Shore Drive offers nightlife and after-party options just 5-10 minutes away!

Noise

We can accommodate DJs and orchestra music but not full-scale party bands (like drums, electric guitar, etc.). All receptions with amplified party music must set up on the tennis court or in the Cellars.

BOOKING YOUR VENDORS

Day of Coordination

To ensure your wedding runs smoothly (and so your family isn't working on your big day), we require a professional day-of coordinator.
